This is an antique lithography map of Dorset. An English, framed atlas engraving of cartographic interest, dating to the mid 19th century and later.

- Superb lithography of Dorsetshire and its county detail, perfect for display
- Displays a desirable aged patina and in very good order
- Fascinating cartography, appealingly set within a quality, later frame
- Detail given to The Hundreds, the administrative divisions within counties until the mid 19th century
- Also lists the county's Liberties - land devolved into private hands
- County emblems, and a place of interest scene in colour, adds fine illustrative detail
 - Unmarked as such, but redolent of the Victorian period maps of Thomas Moule (1784-1851)
- Dressed to the rear with hanging cord for ease of mounting
