

## Antique Office Storage Pot, English, Leather, Desktop Stationery Tin, Edwardian

## DESCRIPTION

Our Stock # 24720

This is an antique office storage pot. An English, Moroccan leather dressed desktop stationery tin, dating to the Edwardian period, circa 1910.

- Tactile leather craft with great colour and decorative appeal
- Displaying a desirable aged patina, lightly timeworn with careful use
- Dressed with dark tanned red leather, ordered into quadrants upon the lid
- Reed decor adds pattern detail to the lid and circumference
- Leather line interior, finished in crimson and in clean condition

This is an attractive antique office storage pot, ideal for containing useful stationery items such as drawing pins or paper clips. Delivered ready for the home or office.
