

Antique Fireside Helmet Scuttle, English, Copper, Coal, Fuel Store, Victorian

DESCRIPTION

Our Stock # 24680

This is an antique fireside helmet scuttle. An English, copper coal and fuel store, dating to the early Victorian period, circa 1850.

- Wonderful hand beaten scuttle, a treat for a Victorian fireplace
- Displaying a desirable aged patina and lightly time worn order
- Quality copper presents deep amber hues with tasteful weathering
- Rolled handle rotates upon shaped mounts with bonded rivets
- Pleasingly shaped handle to the rear with tactile finish
- Raised upon a tiered concentric foot with rolled edge

This is a delightful antique fireside helmet scuttle, with a pleasingly weathered, hand-finished appearance. Well suited to a grand fireplace. Delivered ready for the home.
