

Mid-Century Arts & Crafts Oak Bed

DESCRIPTION

Our Stock # LFA-1487 This is a vintage mid-century high quality oak bed in the tradition of the Arts & Crafts movement. Raised on stout and solid, square section oak legs the headboard and foot board are united by the Vono (Patent 27299-08) metal frame, a sign of quality and making the bed very stable. The bed base is in good clean order ready for a mattress to be added. The carved reciprocating arch form decorates the headboard forming a colonnade between the posts. The dish foot board is delineated with horizontal flutes between the robust posts that are topped with stout finials. Pleasingly heavy and crafted to last a lifetime in solid oak of the best quality, the choice cuts of timber display beautifully with wisps of medullary rays shining through the oiled finish. A stunning piece in the Liberty / Heals taste, delivered polished and ready for the home.
